Description of Measure M Expenditures on Local Road Maintenance

SCTA Chairman

Local Road Maintenance Program - Annual Reporting Letter – FY 16-17

March 15, 2018, page 2 of 6

M. Describe work done with Local Road Maintenance Funding on such work as overlays, general maintenance, pothole repair, ITS, and traffic calming. Describe how bicycle/pedestrian needs were considered?

In FY 16-17, the City did not spend Measure M funds.

Report on Public Information Requirements

N. Did you display the Measure M logo on signs at the construction site or on vehicles? Please enclose picture.

Yes

O. Did you provide digital pictures of projects before, during and after construction?

Yes

P. Did you identify Measure M on your web site? Please provide link.

Yes, Measure M is identified on the city's streets page, which can be found at: <http://ci.cotati.ca.us/sections/departments/pw-streets.cfm>

Q. Did you include the SCTA and Measure M in any press releases, ground breakings or ribbon cuttings?

Measure M was featured on the City's website and in announcements of upcoming projects in the city's newsletter to its utility customers.

R. Identify project benefits and discuss how the funds from this program category assist in congestion relief.

Measure M funds were not spent on projects in FY 16/17.

S. Identify how the project is addressing the goals of Measure M as set out in the expenditure plan.

Measure M funds were not spent on projects in FY 16/17.

T. Did you participate in the development of the Measure M annual report?

Yes.

SCTA Chairman

Local Road Maintenance Program - Annual Reporting Letter – FY 16-17

March 15, 2018, page 3 of 6

U. Has there been a change in your total road miles in the Pavement Management Program?
Please explain.

No.

To meet our reporting requirements we are submitting an original signed copy on our letterhead.
In addition we have also emailed an electronic copy to the SCTA.

If you have any questions regarding this program information please contact:

Name: Craig Scott

Phone: 707.665.3620
