For more information or to register, please visit www.farmster.org.

Award Winning Budget

The Government Finance Office Association has awarded the City of Cotati their second consecutive Distinguished Budget Presentation Award.

This award represents a significant achievement by the City and reflects the commitment of the City Council and staff to meeting the highest principles of governmental budgeting. In order to receive the budget award, the City had to satisfy nationally recognized guideline. These guidelines are designed to assess how well the budget serves as a policy document, a financial plan, an operations guide and how well it communicates the city finances to the public.

What is Measure G?

It's the local revenue measure that maintains the financial viability of our small town, improves our infrastructure and works for all Cotati residents, including:

- Maintenance of our streets, parks, and public buildings.
- Funds park and recreation programs.
- Funds our local police department, including :
 911 Emergency Dispatch
 Domestic Violence Response Services
 Preventing and investigating property crimes like thefts and burglaries

East Cotati Avenue Paving Project

Measure G funds continue to allow the City to bring in more infrastructure grants, including a \$675,000 Federal Grant to repave East Cotati Avenue from the railroad crossing east to the City limits at Sunflower Drive. This project design is complete and is planned to be constructed in 2019.

More Paving!

The City is also finalizing the design of more paving this summer. Beyond 2019, the City is also finishing our 5 year road plan, which will continue to use Measure G funds to preserve the good roads while systematically fixing roads in poor condition throughout town. Look for more information on the 5 year road plan on the City website soon!
