All Businesses Open During Sewer Pipeline Project

Work continues on the City's sewer pipeline project between 8pm and 6am Sunday through Thursday nights. Through early-November, work will be happening on Redwood Drive between Helman Lane and Hwy 116. By mid-November, work is expected to shift to Highway 116. **ALL AREA BUSINESSES REMAIN OPEN**, with several offering "construction specials." You are encouraged to enjoy a local microbrew, dinner from one of our excellent restaurants, or shopping at the many unique retailers in this area of town. Please continue to support your local businesses while this community upgrade is under construction. They will appreciate it!

Breakfast with Santa

Come join Santa and his elves for a yummy breakfast of eggs, sausage, & pancakes Saturday December 15th at 9:00am in the Cotati Room behind City Hall. Finish it off with delicious coffee and hot cocoa. Each child will also have the opportunity to do arts & crafts, and will receive a gift from Mr. Claus before they leave. This is sure to be a fun family event and a great way to celebrate the holiday season. This year, we will be offering two breakfast times. Choose which time you would like to have breakfast and then use the rest of the time to visit with Santa and make crafts with the elves. Tickets are \$12 per person for anyone over 2. If bringing a child 2 or under, please indicate in the notes section when registering on-line so we can account for them. For more information contact Ashley Wilson at 665-4222.

Thomas Page Academy Students Receive New Shoes

New Hope Church has a grant to provide a pair of shoes to all Thomas Page Academy Students. The Church invited Cotati PD to help with the fitting. Several department personnel spent the morning helping to fit 400 students. In December, Cotati PD will help New Hope Church with the delivery of the shoes just in time for the holidays. Thank you New Hope Church!

New Recreation Class Belly Dancing

Dates: Saturday, 12:00-1:30pm, beginning in October

Lighting Project

The City is installing new lighting in several key areas of town, including in La Plaza Park to join both sides of the downtown at night, improve safety, and allow for more types of events. The project will also add pathway lighting to the key pedestrian paths between McGinnis and Marsh, as well as McGinnis and Lincoln, which joins the downtown area to the residential area behind Oliver’s. Finally, the project will improve lighting at the pedestrian tunnel that is a key connector between the east and west sides of Cotati. Look for all of these to be operational in November!

East Cotati Avenue Paving Project

Measure G funds continue to allow the City to bring in more infrastructure grants, including a \$675,000 Federal Grant to repave East Cotati Avenue from the railroad crossing east to the City limits at Sunflower Drive. This project is now in design and is planned to be constructed in 2019.

L-Section Paving

Measure G as well as Road Repair and Accountability Act of 2017 (SB1) state funding were being used to repave large portions of Cotati’s L-Section behind Oliver’s. Look for more information on future paving plans soon.
