As we begin 2017, we have much to be thankful for, and on behalf of the City, I wanted to thank you directly for your support over the past year. Your support comes in a variety of ways, including shopping or dining at local businesses, having fun at Kids Day, cheering with us during the annual Tree Lighting, having breakfast with Santa at City Hall, enrolling in recreation programs, bringing the family to watch Zootopia in La Plaza Park and meeting your Cotati police officers, or simply having a cup with us when our cops are pouring coffee for busy commuters. Behind all of the fun stuff is a dedicated City Council and city staff that are continually striving to deliver services efficiently and go the extra mile to assist you and make Cotati the best place in Sonoma County to live, do business or play.

In 2016, the City put some key protections into place, including keeping large construction trucks out of our downtown and putting additional protections in place to protect our residents from second hand smoke. We were also able to bring back our recreation program, which has quickly ramped up to offer a variety of classes and camps, with more to come in the new year. 2016 was a busy year for infrastructure, including a water main replacement on West Cotati, new pathway and picnic benches at the Veronda-Falletti Ranch, new sidewalks downtown, new paving in our downtown, and new gateway improvements on Old Redwood Highway to make Cotati inviting and Old Redwood Highway safer for bicyclists and pedestrians.

Im 2017, you can look forward to more exciting infrastructure projects, some important community discussions, and of course some great events! We hope to see you, but until then, have a wonderful and safe 2017!

Sincerely,

Damien O'Bid

City Manager
